VSAT MVA100 AUTOPOLARIZATION ANTENNA

NETA TECHNOLOGIES

EMERGENCY

Emergency and instant global communications in disaster and lack of infrastructure conditions.

MILITARY

Transportable command and control communication with wide range coverage, point to multipoint, point to point directions.

TELECOM

Ideal telecommunication mean for remote areas such as rural areas, mountain areas, borders, islands. Support communications of voice, fax, data, video...

OIL&GAS

Portable and robust communication capability for challenging environmental conditions

SNG

Cost effective and rapid uplink/downlink solutions with different bandwidth options for broadcasting

BANKING

Quick installation and high level of reliability. Instant infrastructure will provide greater efficiency and lower operating costs

TELEMEDICINE

Wide and cost effective data connection solution for remote health care applications

MOBILE OFFICE

Temporary network solutions for personal internet requirements.

EDUCATION

Antenna Control Unit

Ultra-fast Satellite Lock: Integrated tuner gets you connected in seconds.
Seamless Modem Compatibility: Instantly compatible with any modem.
Full Remote Access & Control: Command and monitor your antenna from anywhere.
New User-Friendly Web Interface: Easy to use, no training needed.

Pusula Sensörü Sayesinde Hızlı Uydu Bulma - Tek Tuşla Çalıştırma

Flyaway Antenler

All In One – Ekipman Kutusu

Manpack Antenler

67 cm Ka band portable manpack VSAT antenna

MFA60PACK

YAHSAT, AVANTI and TURKSAT compatible
Highly efficient 67 cm 6 pieces carbon fiber reflector
Easy installation with simple connections
Light weight <15 kg

PORTABLE
- Compact
- Robust

TRANSPORTABLE
- Airline Checkable Bag
- Can be hand-carried by one person

ALL-IN-ONE
- Control Unit
- Modem
- Router (Optional)

EASY
- Installation
- 10 Minutes

CONNECT
- Via Smartphone

MULTI-USAGE
- Military
- Civil

All In One Bag - Ultralightweigt <15 kg

10 dakikadan daha kısa sürede kolay kurulum

All In One - Sistem Kutusu

Anten Kontrol Ünitesi

Modem

4 Port Switch

Router (Opsiyonel)

5 Saatlik Kullanım - Batarya Kutusu
